Preferred Location

A wide-angle photograph of a beach at sunset. The sun is a bright, glowing orb on the right side of the horizon, casting a long, shimmering reflection across the water and sand. The sky is filled with large, dark clouds that are illuminated from below by the setting sun, creating a dramatic play of light and shadow. In the foreground, the sandy beach is dark and textured. Several people are wading in the shallow water near the shore, their silhouettes visible against the bright water. Further out, several small, white fishing boats are anchored. In the background, a dark, silhouetted coastline with hills or mountains stretches across the horizon. A solid green rectangular box is positioned in the bottom-left corner of the image, containing the text "Beach Lifestyle" in white, bold, sans-serif font.
